Western Athens in developing

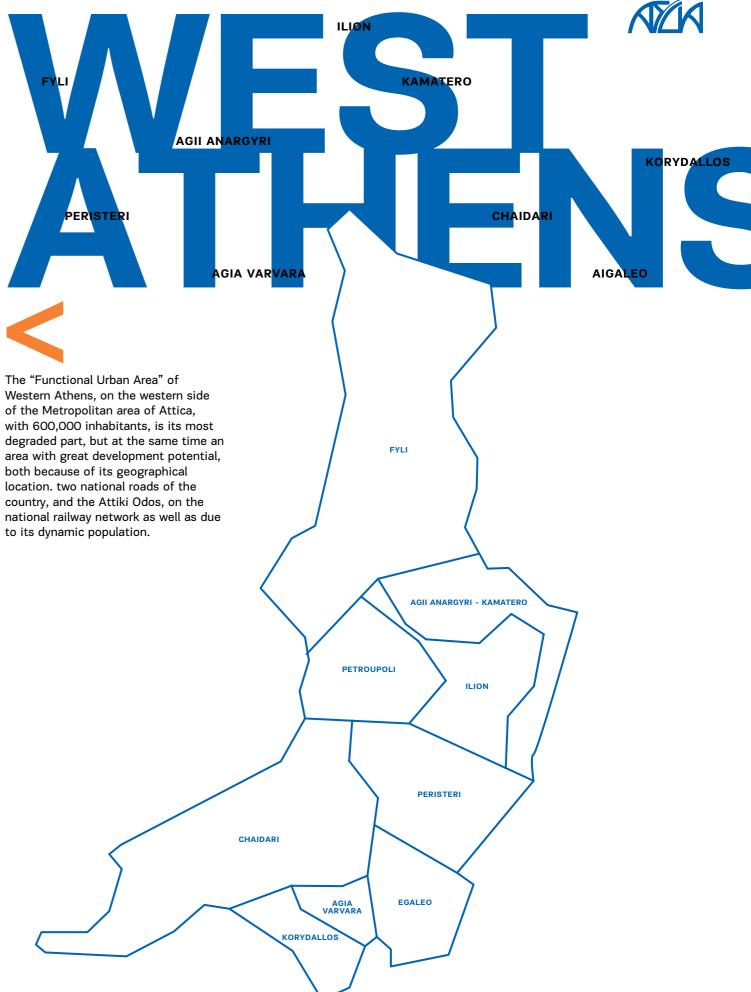

Working towards this direction, the Association for the Development of West Athens has designed and is currently implementing a comprehensive Intervention which moves along four main axes:

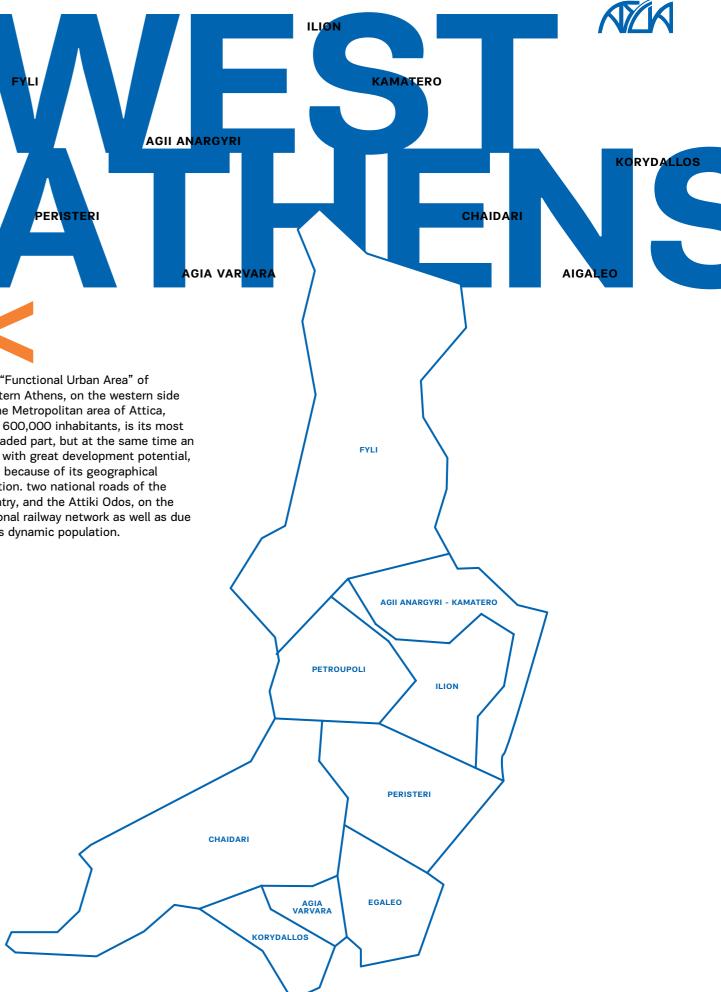

Employment, Youth entrepreneurship, Innovation and Extroversion, all of which represent prerequisites for the implementation of a modern policy in the field of entrepreneurship and the upgrading of production potential of West Athens.

With the belief that we support in practice, the strengthening of the competitiveness of the businesses of West Athens, we invite you to take advantage of the services provided through the Digital Platform and to participate in this dynamic development effort.

The President of Association for the Development of the West Athens,

Andreas P. Pachatouridis Mayor of Peristeri

Association **For The** Development **Of West Athens (ASDA)**

The Association for the Development of West Athens (ASDA) was founded in 1988 after a joint decision of the Municipalities of the region and today, after successive mergers of Municipalities and the accession of new ones, it consists of nine Municipalities, namely the Municipalities of Agia Varvara, Agioi Anargyroi - Kamatero, Aigaleo, Ilion, Korydallos, Peristeri, Petroupoli, Fili and Chaidari. ASDA was created from the realization that problems do not recognize random administrative boundaries and the only way to deal with them is through intermunicipal cooperation.

Goals **Of The ASDA**

Promoting and exploring intermunicipal cooperation.

Spatial, urban and environmental regenerationand, specifically, the area defined by the administrative boundaries of the **ASDA Member** Municipalities.

 \mathbf{N}

with government agencies and coordination of the action of all

agencies. К

Cooperation

Combating unemployment and the overall economic development of the regio.

- Hundreds of environmental and urban regeneration projects in all Municipalities.
- Protection from trespassers Redevelopment and promotion of the Diverse Mountain.
- Protection and development of the "Antonis Tritsis" park.
- Training and employment programs for unemployed and other vulnerable groups.
- Small and medium business support.
- Structures and institutions to deal with unemployment.
- Culture development actions.
- Dozens of development studies on the region's problems.

ASDA ACHIEVEMENTS

Participation in trans-European Networks of Cities and finding resources for the development of the region.

Г

Special development programs for the overall upgrading of the area.

Planning and implementation of the Intermunicipal Partnership for the development of Western Athens, as an Intermediate Management Body.

BUSINESS4EXTROVERSION

Horizontal Services for the Support and Diffusion of Entrepreneurship in West Athens

The project entitled "Horizontal Services for the Support and Diffusion of Entrepreneurship in West Athens" is implemented by the Association for the Development of West Athens (ASDA). The project is included in Priority Axis O3 "Strengthening the competitiveness and extroversion of SMEs - Improving the attractiveness of the Region of Attica for attracting investment and promoting Innovative Entrepreneurship" of the Operational Program Attica, and concerns horizontal services for the support and dissemination of entrepreneurship in West Athens. The main development arm of the project is the Business4extroversion platform (eCOMP2EX) through which businesses have the possibility to use and personalize digital tools for their business activity.

The support of the extroversion of enterprises and the facilitation of access to new markets is based on the organization of business missions to important foreign exhibitions, through which services and interface functions are offered for the participation of entrepreneurs in B2B contacts, and support services for the acquisition of experience and access to international exhibitions and networks, market operation information, understanding of developments, etc.

Project Objective

The project aims to promote West Athens as an investment destination, and to encourage existing and active businesses to engage in modern "entrepreneurship". Free services are offered to support and strengthen Greek businesses in their strategic diversification and extroversion. The development of the Services for the Support of Extroversion and Promotion of West Athens as a Business and Investment Destination seeks, equally and comprehensively, to support the capacity of SMEs of all sectors and branches of the economy in the Greek territory to develop in regional, national and international markets and to participate in processes of promoting entrepreneurship.

Project Goals
